

GED – GRADE 12 EQUIVALENCY

GED - General Education Development

[9 DAYS INSTRUCTION + 1 1/2 DAYS WRITING TESTS]

COURSE OVERVIEW

Under provincial law, all personnel performing operations and maintenance on water treatment and distribution systems must be certified operators with a Grade 12 or a Grade 12 equivalency. Keewaytinook has initiated an 11 day (9 days of instruction and 2 days exam writing) in-class preparatory course to assist people in writing equivalency exams. All personnel performing operations and maintenance on water treatment and distribution systems must be certified operators with a Grade 12 or a Grade 12 equivalency. Register early to receive a GED textbook and to confirm enrollment into this program as well as being included in the pre-home study course. Call the Centre today.

COURSE OUTLINE

📍 This 60-hour course is the first initiative of the Centre to give operators the opportunity to obtain their GED (General Educational Development) or Grade 12 equivalency. The focus of this course is on Math and English writing skills with an assessment of each person's ability to successfully complete the GED tests.

📍 There are five areas to the GED exams: (1) Language Arts, Writing (Parts 1 and 2), (2) Language Arts, Reading, (3) Mathematics, (4) Science, and (5) Social Studies.

PREREQUISITE

Proof of age (18 years).

TARGET AUDIENCE

Anyone requiring their Grade 12 equivalency.
